BRISBANE AIRPORT moving towards 2020

After 12 months as Managing Director and CEO of Brisbane Airport Corporation, Julieanne Alroe, will provide BDA members and the business community with an overview of the airport as it is today and the milestone developments required to meet and achieve the Brisbane Airport Corporation's 2020 Vision.

To achieve this vision, it will require:

- Building a new parallel runway;
- Upgrading the domestic terminals;
- Exploring joint ventures with commercial developers on non-airport use land;
- Having a planning framework that embraces with, and has the support of, Local, State and Federal Governments; and
- Working with Queensland Tourism and Brisbane Marketing to stimulate Brisbane and Queensland as a major tourism destination.
